

Meeting the needs of today. Building hope for tomorrow.

April 2025 Newsletter

Hello Friend,

April Is Child Abuse Prevention Month

At the House of the Carpenter, we're committed to creating a safer, stronger future for our children. Prevention starts with community—and together, we can make a difference. Through mentoring, education, enrichment, and support, our youth programs offer children a safe space to grow, learn, and feel valued. But we can't do it alone. This month, we invite you to be part of the solution. Your donation helps us continue and expand the work we do to prevent child abuse before it starts—by investing in kids, families, and hope.

Give today and help us build a brighter, safer future:

Addiction Support

The HOC has a heart for our friends and neighbors who struggle with addiction. Each week, we offer multiple meetings which are all open to anyone. All are welcome to attend. Our address is 200 South Front Street, Wheeling, WV 26003. Please enter through the door under the covered parking area and take the elevator to level 3.

Between these four meetings, approximately 100 people per week are receiving addiction support here at the HOC.
