YOUR GIFT TODAY BUILDS HOPE FOR TOMORROW

Every day, The House of the Carpenter meets people at moments of real need, and every day, your generosity makes that possible.

A donation isn't just financial support. It's groceries on the table, utilities restored, a family given breathing room, and a neighbor reminded that they matter.

Your gift strengthens the safety net that our community depends on and ensures compassion remains available when it's needed most.

Consider making a gift today by clicking the "Donate Today" button. Together, we can continue offering care, stability, and hope to those who turn to us.

To learn more about planned or estate giving, please contact Rev. Dr. Bill Wendell, Executive Director, at [\(304\) 233-4640](tel:3042334640) or bwendell@houseofthecarpenter.com.
